

Certified as ergonomic.
 Tested by the independent
 IGR Institute for Health and
 Ergonomics

Insulated blade to DIN ISO EN 60900
 For safe working up to 1000 volts. Every single VDE screwdriver is individually tested for compliance with VDE regulations before it is dispatched.

Best grip and outstanding ergonomic design guarantee excellent force transmission. Together with first-rate tips, this adds up to peak accuracy at the point of contact with the screw – even at voltages up to 1000 volts, because every individual screwdriver is tested in a dip-tank up to 10,000 volts in accordance with VDE requirements.

53700 slotted screwdrivers to ISO 2380

ITEM NO.	Tip	Length (mm)	Shaft Ø (mm)	Handle length (mm)	ITEM NO.	Tip	Length (mm)	Shaft Ø (mm)	Handle length (mm)
